Camille Rayon

Strategically positioned between Cannes and Antibes, Camille Rayon's location allows for easy cruising between the two destinations.

The new marina with 841 berths is located in Golfe Juan nestled between Cannes and Antibes. Known for its stunning Mediterranean coastline and the bustling Port Camille Rayon, it's a prime spot for people seeking sun, sea and a relaxed atmosphere.

Things To Do & Facilities

Embark from Camille Rayon for a Riviera adventure: sail azure waters, explore ancient streets, and indulge in Provençal cuisine.

Golfe-Juan is a picturesque seaside town on the French Riviera, nestled between Cannes and Antibes. Known for its stunning Mediterranean coastline and the bustling Port Camille Rayon, it's a prime spot for people seeking sun, sea and a relaxed atmosphere.

Vallauris Golfe-Juan is renowned for its artistic heritage, particularly in ceramics and pottery. The town has been home to many famous artists, including Pablo Picasso, who worked at the Madoura Pottery. Visitors can explore various art galleries and museums dedicated to local and international art.

Golfe-Juan is famous for being the place where Napoleon Bonaparte landed on March 1, 1815, marking the start of his Hundred Days after escaping from exile on Elba. The town commemorates this event with a dedicated "Route Napoléon" and various historical markers.

The town boasts a variety of dining options, with restaurants offering French, Mediterranean, and international cuisines along the marina. Nearby cultural attractions include the Musée National Picasso in Vallauris, showcasing the works of renowned artists.

MUST-SEE

CULTURE

National Picasso Museum: War and Peace

The National Picasso Museum in Vallauris is a must-visit cultural spot. Housed in the Château de Vallauris, this museum features Picasso's monumental mural "War and Peace," created in 1952 as a powerful statement against war. The museum also displays numerous ceramics and other artworks by Picasso, offering a deep dive into his creative journey during his time in Vallauris.

Vallauris Pottery and Ceramics

Just a short distance from Port Camille Rayon, Vallauris is renowned for its rich pottery and ceramics tradition. This charming town has been a center for ceramic arts since the 17th century and gained international fame when Pablo Picasso resided here from 1948 to 1955. Visitors can explore numerous workshops, galleries and the Pottery Museum, which showcases the evolution of Vallauris ceramics through the ages.

NATURE

Paradou National Park:

This protected area offers a serene escape from the urban hustle, featuring 12 hectares of diverse Mediterranean flora. Visitors can enjoy leisurely walks through shaded paths lined with eucalyptus trees, mimosas, and bamboo. The park is home to a variety of bird species, including the vibrant green parakeets and grey herons. It's a peaceful spot for nature lovers, ideal for a quiet retreat with opportunities for bird watching and enjoying the natural scenery.

Îles de Lérins:

Just a short boat trip from Golfe-Juan, the Lérins Islands are a must-visit for their stunning natural beauty and historical significance. The two main islands, Sainte-Marguerite and Saint-Honorat, offer lush forests, clear waters, and ancient ruins. Sainte-Marguerite is famous for its Fort Royal and the mystery of the Man in the Iron Mask, while Saint-Honorat is known for its monastery and vineyards. The islands provide excellent hiking trails, picnic spots, and opportunities for swimming and snorkeling.

Parc Exflora:

Located in nearby Antibes, Parc Exflora is a beautiful botanical garden that showcases Mediterranean plant species. The park features themed gardens, water features, and shaded pathways perfect for a relaxing stroll. It's a family-friendly spot where visitors can explore various landscapes, including olive groves and fragrant herb gardens, making it an ideal place to enjoy the outdoors and learn about regional flora.
